

Please take out a sheet of paper and write a letter to me that answers the following questions.

Dear Mr. Hackenberg:

1. How well did your last math class go for you (i.e., Likes/Dislikes)?
2. What do you think are some of your strong and weak math traits?
3. What personal goals would you like to set for yourself in Algebra 2 this semester?
4. How can I (Mr. Hackenberg) help you reach your goals?

Sincerely,

<Your Name>
